A close-up photograph of several large, vibrant green corn leaves. The leaves are layered, with some in sharp focus and others blurred in the background, creating a sense of depth. The lighting is bright, highlighting the natural texture and veins of the leaves.

**SINCE 1978, WE ARE THE
LEADERS OF FROZEN FRUITS
AND VEGETABLES IN THE
CHILEAN MARKET.**

We care that you always have the best solutions in your house. In 2014 we joined the Watt's S.A. family, one of the main food industry companies in Chile. Because we know how important is to consume fruit and vegetables in your daily diet, we are a committed team, always focused in the innovation and to deliver high quality products.

1. We are a team with valuable people and committed with our work

2. We are experts in what we do: from the sowing to the shelf.

3. We understand and look forward to solve completely your needs.

4. We respect and care for the environment.

5. We ensure that our products comply with the highest standards of quality.

6. We are always looking for new technologies and innovation to offer the best products at a good price.
